

July 20, 1939,

Mr. Ed. Gottlieb,
509 Market St.,
Philadelphia, Pa.

Dear Gottlieb:

In looking over my schedule I see The Eagles in Baltimore Sunday, August 27th, and The Grays in Washington the same day. The following Sunday both teams are in Newark.

I was just talking to Posey on the phone about going South the week between and he said O. K. I have had several letters from Winston-Salem and other towns asking for The Eagles and Grays. We can arrange a good schedule.

Mon. August 28th-----Norfolk
Tues. August 29th-----Rocky Mount(Buck Leonard's home)
Wed. August 30th-----Greensboro
Thurs. August 31st-----Winston-Salem
Fri. Sept.-----Richmond.

I see nothing is scheduled in Phila Sat. Sept. 2nd.
Would you want us there that day?

Now in order to play this schedule, I will have to cancel out The Elites in Newark Thursday, August 31st, but I don't think that would be bad, as we are playing that 4 team double-header here three days later.

Let me know what you think?

Enclosing checks for Turner and McCrary. I will send your salary for June as soon as I received the money you deduct this Sunday from teams in arrears.

Very truly yours,
